Dearest Family, your letter started  
last week is still unfinished!  
we went picnicing about 60  
miles N.W. of here Sun. & picked  
the Bush Cranberries. So all day  
Mon. was spent cleaning & juicing  
them, all day Tues. was spent  
jellying them. I finished my  
last batch 8: last nite & I'm  
thru making jam & jelly - with  
the "pioneer methods" at least.  
But at least I've started your  
Christmas presents - if they don't  
get broken in shipment! Of course  
the berries were free, but with  
gas (40 $\frac{1}{2}$ ¢ a gal.) Sugar 1.00  
per 10 lbs. Jars 1.10 a doz. etc.  
the jam & jelly is damn expensive  
but such "delicate-acies"! Ha.  
Have been kidded by people & Coop  
at the expense & work. Still getting  
rain & cool weather. Love  
you
